

Dear Scholars,

My name is Jason Weidemann, and I am editorial director at the University of Minnesota Press and acquiring editor in Native and Indigenous studies. I want to wish you all a very peaceful and productive conference in Tkaranto this week.

While I am sad to not be joining you in person for NAISA 2023, the University of Minnesota Press has gathered a large collection of new and backlist titles in Native and Indigenous studies available at a 40% conference discount via our website. Please click [here](#) to visit our collection.

I am very eager to connect with you this month if you are working on a book project that might be a good fit for the University of Minnesota Press. Please drop me an [email](#) and let's set up a time to talk before, during, or after the meeting.

Sincerely,

Jason Weidemann  
Editorial Director
