Ownership and Management

Environment, Space, Place is owned by the International Association for the Study of Environment, Space, and Place; manuscript submission and review processes are managed by the *Environment, Space Place* editorial team. The University of Minnesota Press coordinates production of the journal.

Copyright

Issues of *Environment, Space, Place* are copyrighted in the name of the Regents of the University of Minnesota.

Publication Frequency

Environment, Space, Place is published twice per year, in the Spring and Fall.

Governing Body

Environment, Space, Place is the journal of the International Association for the Study of Environment, Space, and Place. For up to date information on the journal's Editorial Board and Advisory Board see the "Editorial Information" tab on <https://www.upress.umn.edu/journal-division/journals/environment-space-place>.

Peer Review Process

All manuscripts submitted to *Environment, Space, Place* go through an initial internal review period during which the editor gauges its fit for the journal's mission. After determining whether submissions fit the journal's mission, select manuscripts are sent for double-blind peer review.

Archiving

Back issues of *Environment, Space, Place* are available digitally on Project MUSE and are archived separately by the University of Minnesota Press.

Revenue Sources

This journal makes revenue from subscriptions, advertising, and institutional sources. Publishing fees do not influence the editorial decision making process.
