

Peer Review Policy

Wicazo Sa Review

Editor: Lloyd L. Lee

Book Review Editor: Madeline Rose Mendoza

When a manuscript is accepted for review by the editor, the manuscript will be sent to two reviewers for a blind peer review. The two reviewers must be tenure-stream or tenured faculty at a university, college, tribal college, or community college. A reviewer can also be a community expert on the manuscript topic.

The reviewers will be required to do the blind peer review in four weeks and return the evaluation of the manuscript's readiness for publication to Dr. Lloyd L. Lee at triplel@unm.edu. Based on the evaluation, the journal will accept for publication, conditional accept with needed minor changes and editing, resubmit needing major changes and editing, or reject. If a manuscript requires minor or major changes and editing, the contributor can make changes and edits and resubmit. The resubmitted manuscript will be evaluated following the same process.
