

Tripler Army Medical Center (TAMC)  
Department of Behavioral Health Outpatient Specialty Services Presents

## *The Distinguished Speaker Series Workshops*

### **AN INTRODUCTION TO THE MMPI-2-Restructured Form™**

**Yossef S. Ben-Porath, Ph.D.**

**August 22, 2014  
9:00 a.m.—4:00 p.m.  
Ministry Chapel**

**Registration/Cancellation:** Please register in advance at [Iwalani.r.sato@us.army.mil](mailto:Iwalani.r.sato@us.army.mil).

This intermediate-level workshop is intended for individuals who are familiar with the MMPI-2 who wish to learn how to use the most recent, up-to-date version of the instrument, the MMPI-2-RF. The workshop includes an overview of the MMPI-2-RF, a discussion of the rationale for, and methods used to develop the test, a description of the 51 scales of the inventory and the documentation available to guide its use, guidelines for MMPI-2-RF interpretation, and case illustrations.

**Learning Objectives.** After attending the workshop, participants will be able to:

1. Identify the rationale for, and methods used in revising the MMPI-2
2. Describe the 51 scales of the MMPI-2-RF
3. Utilize MMPI-2-RF material and documentation
4. Administer and score the MMPI-2-RF following standard procedures
5. Use MMPI-2-RF Comparison Group data
6. Interpret the MMPI-2-RF

Continuing Education (CE) Credits Offered. The TAMC Behavioral Health Outpatient Specialty Services is approved by the American Psychological Association to offer continuing education for psychologists and maintains responsibility for the program. Six (6) hours of CE credits will be awarded for full day attendance at the workshop.

No partial credit will be provided if you leave early. A sign-in sheet and evaluation form must be completed in order to receive CE credits and a certificate. Certificates will be emailed within twenty (20) business days of receipt of the sign-in sheet and evaluation forms. The Department of Behavioral Health Outpatient Specialty Services is committed to provide accommodations to individuals with disabilities. If you need accommodations, please call Colonel P. Antonio Casas at (808) 433-2735.

## The 2014 Distinguished Speaker Series Workshops

### Presenter's Bio

Yossef Ben-Porath is a Professor of Psychology at Kent State University. He received his doctoral training at the University of Minnesota and has been involved extensively in MMPI research for the past 28 years. He is a co-developer of the MMPI-2-RF and co-author of test manuals, books, book chapters, and articles on the MMPI instruments. He is currently Associate Editor and incoming Editor of the journal *Psychological Assessment*, and former Editor of the journal *Assessment*. His clinical practice involves supervision of assessments at Kent State's Psychological Clinic, consultation to agencies that screen candidates for public safety positions and provision of consultation and expert witness services in forensic cases.

### Map and Directions

1. Tripler Army Medical Center is a major teaching hospital and familiar island landmark on Moanalua Ridge.
2. To TAMC Ministry Chapel, 3rd Floor D-Wing: To access the D-wing, take the Oceanside elevators in the B-Wing to the 2nd floor. Follow the signs to and across the bridge, enter the nearest elevator or stairwell to the 3rd floor, and turn left to the Chapel.
